REMARKS/ARGUMENTS

This amendment is supplemental to the Amendment filed on July 24, 2006 and corrects a typographical error in amended claim 8. In claim 8 as amended in the Amendment of July 24, 2006, the limitation of claim 8 is inadvertently set forth twice rather than setting forth the limitation of claim 7 (as well as claim 1) in rewriting claim 8 in independent form. As amended above, claim 8 is now correctly set forth in independent form. The other claim amendments are the same as those set forth in the Amendment of July 24, 2006.

Inasmuch as this Supplemental Amendment is being filed to correct an informality in the prior Amendment, it is proper and should be entered and considered.

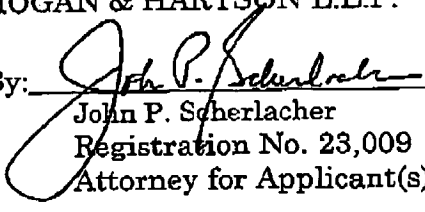

Inasmuch as only allowed claims remain in the application, the application should now be in condition for allowance and an indication of that is respectfully requested.

If there are any fees due in connection with the filing of this response, please charge the fees to our Deposit Account No. 50-1314.

Respectfully submitted,
HOGAN & HARTSON L.L.P.
